Ice Show:

Rachelle sent in art work for the poster. Tracy will take the lead on personal ads looking into the cost effectiveness, etc. Flower sales, is it worth it? Maybe order less flowers this year. Programs, let's be green this year and have a box for people to recycle their program for the night so we can reuse, and order less as we always have a box or two left over. Dez Sobiech will take over the silent auction next year. Deb Hellam will call businesses again this year. Rebecca Black will head up flower sales. Alonzo will head up concessions. Mark will head up ticket sales. The radios have been reserved.

Minutes from the last meeting were approved. Darla will send them to Mark to put on the website.

Coach's time:

Liz will be able to start coaching as soon as Rachelle gets the email from Mark.

Rachelle will send out the packing list for St. Louis along with the rules for the trip.

Head shots will be taken at 5pm on Monday in Eagan.

Fundraisers:

Mark will contact Chipotle to correct the spelling on the flyer, and then we should be good to go for Monday, January 26th from 4-8 pm for our first Chipotle fundraiser.

Trip planning: Alonzo needs to have a head count for those wanting to go up in the arch by Jan. 29th. Extra parents on the trip will need to pay for their own meals, and activities. It will be on the honor system, but Alonzo will also keep a list. Darla will type up a schedule once it is out on the ISI website.
