

## **District 196 Figure Skating Team – Icettes Booster Club Board Meeting Minutes**

**November 4, 2014 at 7:00 pm**

**Present:** Tracy Monro-Moran, Alonzo Anthony, Darla Mariette, Mark Wangler, Carry Langseth, Rachelle Johnson

**Welcome** – meeting started at 7:00 pm

Coach's time:

Rachelle will submit a form to get a room at AVHS for our monthly meetings

We will change the due date of the commitment form to Monday the 24th

The price for the practice dress went up so much that we decided not to require the dress. The required practice attire will be black leggings, and a fitted long sleeved black shirt.

We will pass on the camp over winter break-too much work for little return

Parent meeting November 18<sup>th</sup> at 7 pm

Rachelle will send out the forms and collect payment for Disney on Ice

Treasurer's report:

Carry went over current budget

We discussed the trip budget, and set the trip fee at \$425 per skater

President's report:

There is concern over the huge age difference between the skaters. We have skaters between the ages of 12 and 18. This hasn't been a problem in the past, but the parents of the younger skaters need to know this is a high school team. The captains communicate through twitter, and Facebook. There can't be special treatment for younger skaters like information via text rather than twitter, or Facebook. Also, skaters are not allowed to stay with parents in St. Louis. This is district policy.

Fundraisers:

Mark has finalized our tax id. He will contact Chipotle in December for fundraising dates.

Darla will send out sign up genius for cub grocery bagging on Nov. 21st

Alonzo:

Alonzo will secure five more rooms at the hotel.

It looks like we could do both the City Museum and the Arch on Thursday as long as it doesn't conflict with practice ice.

All: We will ponder the thought of ordering panoramic pictures this year. Claire Kenyon's (new skater) mom was diagnosed with Colon Cancer. Mary Sullivan will donate her commission from the next house she sells to the Kenyon family, and asked if we could spread the word. Tracy will work with her to get an email out to the Icette families.

**Meeting ended at 8:45 pm**

**Next meeting December 2, 2014**

Minutes by Darla Mariette
